# End of Sale Notification

## IVP, 3G Gateway and SS7 Product Lines

To: RADVISION Sales & Customer Support Worldwide  
To: RADVISION Channels & Distributors Worldwide

This is an 'End of Sale' (EOS) notice for RADVISIONs IVP, 3G Gateways and SS7 products listed in appendix A of this document.

Orders for the listed products, received after November 30<sup>th</sup>, 2011 ("End of Sale" date) will not be accepted unless specified otherwise in existing contracts and/or as defined by applicable legal regulations.

The "End of Support" date is November 30<sup>th</sup>, 2014. RADVISION will continue providing its standard support services including maintenance, RMA and advanced replacement to eligible customers until the 'End of Support' date, unless specified otherwise in existing contract. Support contracts and obligations for these products will not be extended beyond the End of Support date

For any inquiries and additional information regarding this announcement, please contact the RADVISION office in your region.

Sincerely,

The Product Management Team

RADVISION LTD.

## Appendix A: List of EOS product

### IVP Product line:
